Termination by you

9.4 Annual Membership Refund Policy

Annual memberships are generally non-refundable. However, under specific circumstances, the manager may review your case and determine if a partial refund can be issued. Refund eligibility will be assessed on a case-by-case basis and is at the sole discretion of the manager.

To request a review, please provide written notice detailing your situation, along with any supporting evidence. If a refund is approved, an administrative fee will be deducted from the portion owed. The manager will assess the request and communicate the final decision regarding any potential refund and applicable deductions.

Termination by us

9.5 We may terminate this agreement and your membership in the following circumstances:

We may terminate this agreement and your membership under the following conditions:

- (f) If you (or any child or Junior member for whom you are responsible) provide false information upon applying for membership that would have reasonably influenced our decision to grant membership.

Should we terminate your membership for any of the reasons outlined above, we reserve the right to retain a portion of any prepaid membership fees to cover reasonable costs incurred.

10. Suspending your membership

You may suspend your membership up to twice per calendar year for either one or two months. To initiate a suspension, please notify us by the 20th day of the month prior to the desired suspension month. For example, to suspend your membership in July, you must inform us by June 20.

The standard suspension fee is £20 per calendar month. Your suspension will begin on the first day of the month and end on the last day. If you wish to resume your membership early, simply visit the club on the day you'd like to return, and our team will reactivate your membership. In this case, you'll need to pay the prorated membership fee for the remaining days of the month.

If you originally requested a one-month suspension and wish to extend it by an additional month, please notify us by the 20th day of the current suspension month. For instance, if your membership is suspended for July and you wish to extend through August, let us know by July 20.

****Medical Suspension****: We offer a fee-free membership suspension for medical reasons, provided you submit valid medical documentation. This medical suspension can be extended as needed with up-to-date medical evidence.

Once your suspension request is processed, we will send a confirmation email.

10.4 Suspension of a membership does not give you any rights to a refund of membership fees.

14.3 To accommodate Wellington College requirements, we may occasionally close certain areas or the entire club. We will aim to provide reasonable notice for these closures, though it may be less than five days.

14.4 Club opening hours are displayed on our website and at the club reception and may be subject to change. Where feasible, we will provide one month's notice for changes. Opening hours may also vary between college term times and holidays, as well as during Christmas and other bank holidays.

14.5 We reserve the right to adjust, reduce, or withdraw certain facilities, services, classes, or activities, either temporarily or permanently, at any time.

14.6 If we make a substantial change to the club's opening hours or available facilities, you may be eligible to cancel your membership in accordance with clause 9.4.

14.7 Where changing facilities and toilets are marked as for use by men or by women, you must use those which accord with your sex. When using the changing facilities and toilets, you are expected to respect the privacy and dignity of other persons using those facilities. By law, our members and visitors who use a changing room marked as 'male' or 'female' must select the one that matches their biological sex. Our unisex and single-occupancy facilities can be used by everyone. If you need help locating our unisex and single-occupancy facilities, our front-of-house team will be happy to assist. If you have any questions or concerns about which changing room is right for you, please email hello@wellingtonfitness.co.uk.

15. Liability

15.1 We are not responsible for any damage to or loss of your property (or a guest's property), except where such loss or damage results from our own negligence.

15.2 In cases of death or personal injury to you (or a guest), our liability is limited to instances where it is directly caused by our negligence.

15.3 You must not misuse the facilities or equipment at the club. You will be responsible for covering the cost of any damage to our property if such damage is caused by your intentional or negligent actions.

15.4 These Terms and Conditions do not limit any of your statutory rights as a consumer.

16. Other important terms

16.1 Changes to this agreement.

(a) Changes to comply with the law. Sometimes we need to change our agreement with you to comply with changes in the law. We may make these changes provided we give you 30 days' notice.

(b) Changes to the terms of this agreement. We may change these Membership Terms and Conditions. We will contact you to let you know if we plan to do this. If you are unhappy with the change, you may contact us to end the agreement within 30 days of us telling you about it and we shall refund the value of your membership that you did not use. For example, if your membership terminates at the end of the sixth month, we shall refund 50% of the annual membership fees.

16.2 Data protection. We will only process your personal information in accordance with our privacy policy available on our website.

16.3 We are not responsible for events outside our control. If an event occurs outside of our control that impacts your ability to use your membership (for example power failure at the club) we will contact you as soon as possible to let you know and we will take steps to minimise the effect. Provided we do this, we will not be liable for delays caused by the event, but if there is a risk of substantial delay you may contact us to end the agreement and receive a refund for your membership as set out in clause 9.4.

16.4 We may transfer this agreement to someone else. We may transfer our rights and obligations under these terms to another organisation. We will contact you to let you know if we plan to do this. If you are unhappy with the transfer, you may contact us to end the agreement within 30 days of us telling you about it and we shall refund the value of your membership that you did not use. For example, if your membership terminates at the end of the sixth month, we shall refund 50% of the annual membership fees and also deduct an administration fee.

16.5 Nobody else has any rights under this agreement. This agreement is between you and us. No other person shall have any rights to enforce any of its terms, including any guest.

16.6 If any part of this agreement is deemed unlawful by a court, the remaining provisions will continue to be enforceable. Each clause in these terms functions independently, so if any court or relevant authority finds a clause unlawful, the other clauses will still remain fully effective.

16.7 Even if we delay in enforcing this agreement, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these terms, or if we delay in taking steps against you in respect of your breaking this agreement, that will not mean that you do not have to do those things, and it will not prevent us taking steps against you at a later date. For example, if you miss a payment and we do not chase you, but we continue to provide membership benefits, we can still require you to make the payment at a later date.

16.8 Which laws apply to this agreement and where you may bring legal proceedings. These terms are governed by English law, and you can bring legal proceedings in respect of this agreement and/or your membership in the English courts.
